Invest in Grocery Retail's Next Biggest Tech & Brands

Groceryshop covers the evolution of grocery retailers such as:

- ◆ Supermarkets
- ◆ Mass merchants
- ◆ Convenience stores
- ◆ Drug stores
- ◆ Club/Warehouse stores
- ◆ Discount stores
- ◆ E-commerce players

The rapid changes and distribution of consumer products, including:

- ◆ Fresh and packaged foods
- ◆ Beverages
- ◆ Beauty
- ◆ Personal care
- ◆ Household
- ◆ Health

Groceryshop addresses the evolution of how consumers discover, shop and buy these products in a digital age, including the latest technologies, trends, and business models.

Groceryshop helps investors to:

- ◆ Identify emerging trends within the industry
- ◆ Learn directly from industry leaders the problems they have and the solutions they need
- ◆ Build out your deal pipeline by directly meeting with early-stage founders
- ◆ Support your portfolio companies on-site in one centralized location
- ◆ Network with your peers from other firms
